Hi Harry, I'm Maximilian but my family and my friends call me Maxi. This year you will stay in my city with my family and you will go to school with my friends. For this reason I write you this email with some instructions for arriving at some important places from my house. Also I send you a map of my city.

- **My grandmother's house:** from my house go straight. She lives 3 blocks from my house. Her building is the fourth on the right.
- **School:** from my house, take the first street on the right. Go to the end. There you will find the school
- **The gym:** From my house, go straight ahead and take the third street on the left. After turn to the left. The gym is the second building on the left. I go to the gym 3 or 4 times a week and you said that also you do lots of sports
- **My cousin's house:** My cousin Dani lives opposite the gym. We go together to the gym and also he's my best friend. We never argue.
- **The supermarket:** From my house take the first street on the left and go straight ahead. Then turn right at the second street. Follow this street until the end. There you will see a park, the supermarket is to the left of the park. It's where all the young people meet. We usually buy food at the supermarket before going to the park.
- **The swimming pool:** From my house go straight ahead for 2 blocks and turn to the right. Then take the first street on the left. The swimming pool is the first building on the right.
- **The bus station:** From the swimming pool, continue straight to the north and take the second street on the right. The station is the big building on the left. There are buses to the centre every hour if you want to go out. Beside the station on the right there is my favourite restaurant, the churros are delicious!
